Told A Story from Catarrh.

Prof. W. PAINTER, the famous merman, of Ithaca, N. Y., writes: "Some ten years ago I suffered with a severe case of chronic nasal catarrh, which gave me great trouble, was incurable, and all I could do was to bear it. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse, I could hardly speak, and I could not sleep at night without a fitful sleep. Dr. Pierce's Pleasant Pain-killer has now entirely removed my trouble. By the use of Dr. Pierce's Pleasant Pain-killer, in three months, I was well and the cure has been permanent."

Constantly Hawking and Spitting.

THOMAS J. RUSHING, Esq., 2302 Pine Street, St. Louis, Mo., writes: "I was a constant sufferer from catarrh for three years. At a time when I had no money, and all I could do was to spit, I thought nothing could be done for me. Finally, I was introduced to Dr. Pierce's Pleasant Pain-killer, and I am now a well man. I believe it to be the only safe remedy for catarrh now manufactured, and I now have only to give it a fair trial to experience astounding results, and a permanent cure."
